LEGISLATIVE ISSUES

WALHDAB Organizational Updates

1. (Nancy)
2. State Sanitarian request to join our meetings (Dale)
3. CEUs for Registered Sans. – Doug Gieryn is on the RS Advisory Committee and they are looking into requirements around CEUs for RSs. He'd like our input on whether we would support this. (Dale)

Local Issues

1. Consideration for a 15 month grace period for DATCP retail licenses, consistency with DHS, internal consistency of retail program for State and agents (Dale)
2. How many municipalities have an ordinance about branding, scarification, or implants? (Nancy)
3. Carbon monoxide law-- (Courtney) DCOMM has released brochures explaining the new law. It has a statement that says fire department inspectors will be checking the installation of CO alarms during annual fire safety inspections. Is this a change for us?
4. Time permitting- NEHA insights (Courtenay Johnson, Chris Hinz, Nancy, Jackie Phillips, Steve Korthoff, Jamie Berg, John Hausbeck and Dale)
